

ATTENTION AREA VETERANS

JOIN YOUR HALL OF HONOR!

The Woodlawn Veterans Memorial Committee, the Mt. Vernon Airport Authority, and Experimental Aircraft Association Chapter 1155 have partnered to create the Jefferson County Hall of Honor.

The Jefferson County Hall of Honor is a permanent memorial dedicated to our area Veterans on display seven days a week inside the Koziara Terminal at Mt. Vernon Outland Airport.

This initiative compliments other area Veterans Memorials in that each Veteran's service history is preserved for future generations to see. In many cases, the display provides the viewer an opportunity to "go back in time" to see the veteran serving our country. Dates of service, locations served, and squadron/ unit patches and/ or logos are included on each of the individually tailored tributes.

To be included in **YOUR** Jefferson County Hall of Honor, please answer the following questions:

Name: _____ Branch: _____

Dates of Service: _____ Highest Rank Achieved: _____

Unit(s) or Ship(s): _____

Location(s) of Service: _____

Medals/Ribbons/Awards: _____

(Use reverse side of page if necessary)

PLEASE ATTACH A COPY OF DD214 IF AVAILABLE
