ORDER TO REPORT FOR INDUCTION

The President of the United States,

To: Alson Willford Modert
(Name) (Middle name) (Last name)

Order No. 2-2351

GRETING:

Having submitted yourself to a local board composed of your neighbors for the purpose of determining your availability for training and service in the land or naval forces of the United States, you are hereby notified that you have now been selected for training and service therein.

You will, therefore, report to the local board named above at _____
(Place of reporting)

at 8:30 P M., on the 17th day of May, 1946.

This local board will furnish transportation to an induction station. You will there be examined, and, if accepted for training and service, you will then be inducted into the land or naval force.

Persons reporting in the induction station in some instances may be rejected for physical or other reasons. It is well to keep this in mind in arranging your affairs, to prevent any undue hardship if you are rejected at the induction station.

If you are employed, you should advise your employer of this notice and of the possibility that you may not be accepted as employed if you are rejected.

Withhold failure to report promptly to this local board at the hour and on the day named in this notice is a violation of the Selective Training and Service Act of 1940, as amended, and subjects the violator to fine and imprisonment.

If you are no longer removed from your own local board that reporting in compliance with this order will be a serious hardship and you desire to report to a local board in the area of which you are now located, go immediately to that local board and make written request for transfer at your delivery for induction, taking this order with you.

Alson W. Modert
Member or clerk of the local board.
